Hello Suzanne,

This minor revision to the fuel storage containment plan appears complete. It includes a revision of the MRP narrative, designs, plates, and reclamation cost estimates.

Please assign

Thanks,

We received the aforementioned task on 4/1/09.

Please notify me, cc to Jim and Daron, when the IR is complete. At that point, I will send an email notification to the operator and Jim will assign a team to review.

I have put a hard copy in your basket to be taken down in the mail and Jo will be scanning a copy of the M: Drive.

Thanks!

Suzanne
